

THE  
PASTEL  
COLORS

**VIR LAMINATE** presents a fresh breath of air in the laminates industry with our innovative bent in all aspects of the business. Our laminates collection represents the latest in contemporary designs because we look the global design industry at large. Our service is unparalleled as we work closely with every architect, designer and developer. Providing prompt response and excellent sales support. Our quality of high pressure laminates is now well-known throughout the industry as they are manufactured under stringent control. This is due in no small part to our pursuit of perfection.

It's all about being inspired, and you can see the result in our products. You can even feel it through our ongoing product design and development process. Which underscores our commitments to innovation and getting you closer to nature
